QUESTIONS

(potential discussion/conversation questions to use in your GGs this week)

1. Think of your last argument/disagreement ... what cravings/desires were present?
2. Think of some legitimate desires that can become idols/ruling desires? How do we identify inordinate desires?
3. How do you usually view conflict? How does your view of conflict affect your response to conflict?
4. Tony spoke about how conflict can provide the opportunity to grow in Christ-likeness...In what ways have you grown or seen others grow in Christ-likeness because of conflict? Or How can you grow to be more like Christ through conflict? Think of concrete ways.
5. What are the characteristics/fruits of Godly wisdom? How are we able to discern godly wisdom from worldly wisdom?
6. Tony said we should have holy ambition to make much of Jesus. How can you make much of Jesus in your daily life?
7. Displaying unity speaks to the outside world. What does it say to a lost world (John 17)? How can you practice peacemaking in the church? How does Christ show us the way of peacemaking?
8. If you are in conflict with someone, what are some steps you should take to be reconciled with that brother or sister?
