Luke 15:11-32

“How Deep the Father's Love for Us”

QUESTIONS

(potential discussion/conversation questions to use in your GGs this week)

1. Why is it important to remember that both religion and irreligion are able to keep us from God?
2. Just because someone is a Christian doesn't mean they don't still have older brother/younger brother tendencies.
3. What can either of these look like in your life?
4. What does it look like for you to walk in the Father's love in these areas?
5. How have you found the things of this world leaving you or those you know empty (like the younger brother)? How does the Lord actually satisfy those desires? How have you seen this in your life?
6. Would someone be willing to share their experience of receiving the Father's unconditional love, as the younger brother does?
7. What does repentance look like for older brother types?
8. Would someone be willing to share their experience of being like the older brother? How did God reveal to you your need for a savior?
9. We are a community of older and younger brothers who are saved by grace. How can we live together in a way that is consistent with the gospel?
