**“Order and Edification”**

## **QUESTIONS**

*(potential discussion/conversation questions to use in your GGs this week)*

1. ICEBREAKER: What are some unique ways you have seen Christians worship? (Limit to encouraging experiences)
2. What does this text teach us about Jesus? What does it teach us about the church?
3. Tony talked about how someone could use their gifts wrongly (causing disorder, drawing attention to one's self). How might this happen? Are you tempted to do this?
4. How might you value spiritual gifts in others?
5. Are you content with the way the Spirit has gifted you? Why or why not?
6. It can be easy to be envious of other Christians. Where have you struggled with this? How can we “crush” this envy?
